

Smart Bonding Solutions for Door Manufacturers

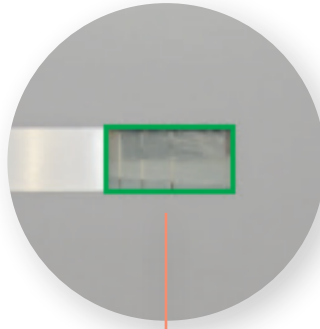

Adhesive bonding portfolio –
made by Lohmann

Adhesive Solutions for Entrance Doors with Multiple Benefits

Door
panel production

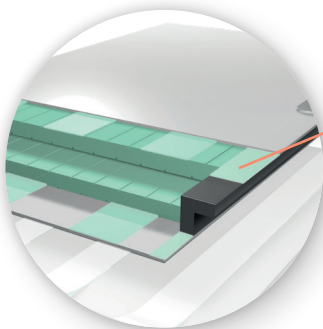

Glass elements and
decorative inserts

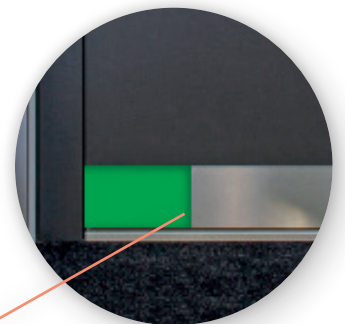

Assessories and
tailored area applications

Door
panel fixation

Decorative trims
and kick plates

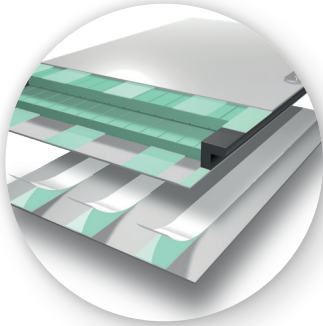

Your benefits:

- **Expertise in Bonding Technology:**
Extensive experience in the processing of pressure-sensitive adhesives (PSA) means customized solutions for a wide range of door applications.
- **Individual surface evaluation:**
Analyzing and understanding the specific requirements of door surfaces in order to develop the best possible bonding solutions.
- **Support from development to application:**
From the customized conversion process to comprehensive support during the final application – we are with you every step of the way to achieve sustainable and innovative results.

Tailored Solutions — Smart Bonding — Perfect Doors

DuploCOLL® Portfolio for Door Applications

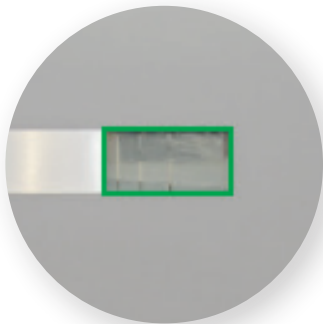

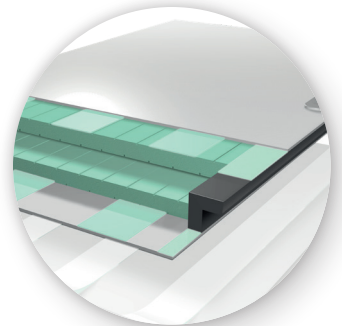

Door panel production/insulation fixation

Product	Construction	Adhesive
